ANIMAL SERVICES

LOCAL LOW-COST VETERINARY RESOURCES

Culver City Animal Services does not recommend or endorse one veterinarian or veterinary hospital over another. Please check with your friends and family for a recommended veterinarian. This list is provided as a resource of local veterinary hospitals who offer low-cost clinics. Online review sites can assist you with your research by providing user reviews and experiences. Please conduct your own research into any veterinarian or veterinary hospital you choose for your pets. Culver City Animal Services is not responsible or liable for your experiences with any of the veterinarians on this list.
