Culver City Police Department
PRESS RELEASE
Manuel Cid, Chief of Police

ATTEMPTED STREET ROBBERY

Suspect: Male Black, 20 years old, 6' tall, thin build, corn-row style braided hair, no further description.

Suspect Vehicle: Beige 4-door sedan and black SUV

On February 7th, 2021 at approximately 4:30 PM, Culver City Police Department received a radio call of a female victim being assaulted during an attempted robbery in the area of Green valley Circle and Bristol Parkway. The victim stated that she was walking on Green Valley Circle when she noticed the suspect walking directly towards her on the sidewalk. The victim tried to politely move to the side to allow him to pass, however he mirrored her actions. As the suspect got closer to the victim, he yelled at her demanding her cell phone. Before the victim could respond, the suspect knocked her to the ground and began to violently punch and kick her in the head and body. While the victim was being assaulted, several bystanders in the area began to yell and draw attention to the suspect's actions. After noticing the attention, the suspect ran to and entered a beige 4-door sedan. The sedan along with a black SUV then drove away in tandem westbound on Green valley Circle and out of sight. Culver City Fire Department responded to the scene to treat the victim for her injuries.

Anyone with information is asked to contact Culver City Police Department Public Information Officer Lieutenant Estrada at 310-253-6316 and reference Report # 21-0000556.
