Section 1021.9.2 further states:

- (e) **Baseball-Style Hats** - Departmentally approved black baseball-style hats may be worn while in uniform. The hat shall be made of black wool with "Culver City Police Department" embroidered in silver lettering on the front. It may not be worn while in the Class "A" uniform.
  - 1. Baseball-style hats are intended to offer field personnel protection from the sun and from inclement weather. Therefore, they are only authorized for outdoor use and shall not be worn indoors.
